

News of Martyrs day ceremony

Martyrs' day ceremony is under way in all organizational offices and abroad by remembering those who have fallen for the sake of Eritrean Kunama revolution-the just cause that has consumed hundreds of Kunama youths' and friends of the Eritrean Kunama lives. As such at this very moment and today, all associations' leadership, from central committee to the zonal leaderships, are honoring those fallen martyrs with a candle vigils in their hands in Shimelba refugee camp, all with poems and lyrics in the commanding post of DMLEK military units, in the propaganda office of Addis Ababa, Mekele, Shire, Indasellase and in Sioux Falls, South Dakota. Hereafter and it should be remembered that, **April 6** is the official day, endorsed in 2013 to honor our heroes fallen for the liberty of the Kunama nationality and hence it's our honorable **MARTYRS' DAY**. Stay tuned for all pictorial presentations of the scenes.
