3rd and the final Military communiqué of August,2014.

As the wave of the operations were scheduled for 12/08/2014 the third grand attack has taken place between Adarde and Ingirne where a truck full of load was targeted by RBG grenade, totally destroyed and burnt into ash. The driver was also killed on the spot. That operation has taken place at 10:00 pm .The gallant fighters have reached their station safely.
