A Public Meeting In Oakland

We will be conducting this meeting to discuss the 4 documents prepared by the Eritrean National Commission for Democratic Change (ENCDC). The 4 documents are:

1. Draft of the Interim Constitution of the State of Eritrea
2. Draft of the Interim Structure of the Eritrean National Assembly
3. National Political Charter for Transitional National Council
4. Action-based Political Road – map for a Journey from Dictatorship to Democracy in Eritrea

The above documents will be presented and will be discussed. You are invited to discuss, to express your opinion and ask questions. These documents are now available at the Eritrean National Commission for Democratic Change website (www.encdc.com). If you would like the documents sent to you please send email to encdcbayarea@gmail.com or call (510) 291-4934.

In this meeting we will also conduct an election to elect our representatives who will represent us at the Eritrean National Congress to be held in October 2011. Those Eritreans who fulfilled your obligations to the ENCDC Bay Area Sub-Committee are invited to be present to elect and be elected.
